

Scouts and Scouters of Troop 454

The time has come to begin planning your summer camp scouting experience.

This year the Troop has chosen to attend **Camp Oljato** from July 6 thru July 12.

We will be using the traditional Scout and Troop method of leadership while at camp. This experience is much more than just attending Merit Badge classes, but also the opportunity to put into practice real leadership principles under the supervision of experienced adult leaders. You will learn team dynamics including a full uniformed experience and what the term Esprit de Corps really means. I will be looking for Scouts who want to be in leadership positions, please contact me directly to express your interest.

Please sign up as soon as possible so that we can appropriately plan and coordinate this event to maximize the benefit and enjoyment for all scouts and adults who wish to attend. This will be my 12th time attending Scout camp, 9th time as the Group leader. We have won the spirit award and or outstanding troop several times under my leadership in the past, and I know from those experiences we can do it again and create a great memory of your scouting career. Please join us and sign up at the Troop meeting. Also, please print the Camp Oljata forms located on the website and bring the completed forms to the Troop meeting.

Anthony G. Scotch
Assistant Scoutmaster Troop 454
